Cancellation Policy

A cancellation policy is needed for the benefit of everyone doing the training. We understand that everyone has a good reason for cancelling, but we need to protect ourselves and the other participants and ensure that the training will go ahead. Please be certain that you will be able to commit to the whole training before you book.

You can cancel your booking within 14 days and your deposit will be refunded. After that, cancellation will result in you losing your deposit.

If you are unable to make all the dates we will not refund any payments made and if you cancel during the programme you will still need to pay the balance. It may be possible to transfer to another course, but this cannot be guaranteed.

Cancellation of the Advanced portion of the 13 Mizan Moons programme after 1st January 2023 will result in you losing your deposit. We cannot refund any payments after that date.

We reserve the right to cancel any training up to 14 days prior to the first day of the course and any payments made will be refunded.

This is a year-long commitment and you will need to continue with payments each month. We hope that you will stay with us throughout, but we understand that occasionally unexpected events arise and each case will be considered individually.
